Dear Claire

Re: GP Surgery Access.

Several constituents have contacted me recently regarding access to GP's.

The main complaint for many of my constituents is the inability to get through to their GP by telephone, most recently concerning TELDOC and Stirchley Medical Practices.

I am concerned that this is a more frequent occurrence now and I should be grateful if you could advise how best the CCG will ensure good telephone access so that my constituents can seek the medical attention that they need.

I look forward to hearing from you.

Best wishes.

Yours sincerely

Lucy Allan MP
